

Marvin Joseph F. Montefrio

Assistant Professor

Division of Social Science (Environmental Studies)

Yale-NUS College

6 College Avenue East, Singapore 138614

tel: TBD • e-mail: mjfmontefrio@gmail.com • website: <http://marvinmontefrio.com/>

EDUCATION

- 2014 Ph.D. Environmental and Natural Resources Policy
State University of New York College of Environmental Science and Forestry
Dissertation: Growing low carbon commodities in the uplands: Integration of indigenous smallholders in biofuels and rubber production regimes in the Philippines (Committee: David Sonnenfeld [chair]; Valerie Luzadis; A.H. Peter Castro; Philip McMichael; and Carol Pierce Colfer)
- 2014 Masters of Public Administration (Environment and International Development)
Certificate of Advanced Studies in Conflict Resolution
Syracuse University, Maxwell School of Citizenship and Public Affairs
- 2007 Master of Science in Environmental Management
National University of Singapore
- 2004 Master of Science in Environmental Engineering
National University of Singapore
- 2001 Civil Engineering
University of the Philippines, Diliman

EXPERIENCE

- 2015 - Assistant Professor of Social Science (Environmental Studies), tenure-track,
Yale-NUS College, Singapore
- 2014 - 2015 Associate Professor (tenure-track), Department of Political Science, De La Salle University, Metro Manila, Philippines
- 2008 - 2013 Visiting Instructor/ Teaching Assistant, Department of Environmental Studies, SUNY-ESF
- 2009 Research Intern, United Nations Department of Economic and Social Affairs, Division for Sustainable Development, Policy Analysis and Networks Branch, New York
- 2006 - 2008 Research Assistant, Tropical Marine Science Institute, National University of Singapore, Singapore
- 2004 - 2006 Environmental Consultant, United Envirotech Limited, Singapore

PUBLICATIONS

Refereed Journal Articles

- 24) Montefrio, M.J.F. Cosmopolitan translations of food and the case of alternative eating in Manila, the Philippines. *Agriculture and Human Values* (forthcoming)

Book Chapter

- 2) Montefrio, M.J.F. (2016). Confronting the “unproductive” upland discourses in biofuels development. In: Le Bouthillier, Y., Cowie, A., Martin, P., McLeod-Kilmurray, H. (Eds.), The law and policy biofuels, pp. 59-80. Cheltenham, UK: Edward Elgar.
- 1) Montefrio, M.J.F., & Obbard, J.P. (2011). Production and utilisation of biodiesel derived from waste cooking oil: A feasibility study of its application in Marikina City, Philippines. In: Lye L.H. et al (eds.), Sustainability matters: challenges and opportunities in environmental management in Asia, pp. 1-36. Singapore, Singapore: Pearson Education South Asia.

Under Review

Montefrio, M.J.F. “The Queen of Greens” comes to the tropics: Articulations of kale from Euro-Americas to the Philippines.

Montefrio, M.J.F., Lee, X.R.*, Lim, E.* Aesthetic politics of urban agriculture.

Kwok, Y.*, **Montefrio, M.J.F.**, & Tandoc, E. Navigating discipline and indulgence: The strategic performance of contradiction in social media food posts.

Montefrio, M.J.F., and Abasolo, A.O*. From the Everyday to a Superstar and Possibly Back? Tracing the Dynamic Commoditization of Kale.

In Preparation

Montefrio, M.J.F. Producing for leisure: The unsettling trajectories of the agritourism project in the Philippines.

Dressler, W., and **Montefrio, M.J.F.** Living precariously—gendered labour politics in an expanding oil palm frontier in the southern Philippines.

Non-Refereed Publications

Dressler, W., & **Montefrio, M.J.F.** (2018, May 10). Palawan's indigenous food, forests threatened. *Philippine Daily Inquirer*, Opinion

Montefrio, M.J.F. (2015). Conflict management manual for forest communities in the Philippines. International Tropical Timber Organization.

Dressler, W., & **Montefrio, M.J.F.** (2015, May 2). Stop prejudice against indigenous people's kaingin. *Philippine Daily Inquirer*, Opinion

Montefrio, M.J.F. (2013). Partnership regimes for the production of biofuels and natural rubber in upland Philippines. Final report to the Economy and Environment Program for Southeast Asia, International Development Research Center.

HONORS, AWARDS AND GRANTS

External

2013 Fellowship; International Tropical Timber Organization; PI: Marvin Montefrio; USD 4400

2012 Fellowship; International Network for Coupled Human and Natural Systems, National Science Foundation; USD 1000; 2012

2011 Dissertation Fieldwork Fellowship Award; International Development Research Center; PI: Marvin Montefrio; CAD 19,000

2006 3rd International Summer Academy on Energy and Environment Scholarship; German Academic Exchange Commission (DAAD), Germany; EUR 1000

- 2005 Mondialogo Worldwide Engineering Award – Special Jury Recognition for Outstanding Achievement; United Nations (UNESCO) and DaimlerChrysler; PI: Marvin Montefrio; USD 20,000
- 2001 Top-notch (top 10) in the Philippine Civil Engineering Licensure Examination; Professional Regulations Commission of the Philippines

Internal

- 2017 Academic workshop grant; Yale-NUS College; SGD 20,000
- 2015 Research start-up grant; Yale-NUS College; SGD 30,000
- 2015 Ambassador Carlos J. Valdes Chair in Political Economy; De La Salle University (offer turned down)
- 2014 Interdisciplinary Research Grant; University Research Coordinating Office, De La Salle University; USD 8000
- 2011 Alumni Memorial Scholarship; SUNY-ESF; USD 1000
- 2012 Research Travel Award; Pack Environmental Institute; SUNY-ESF; USD1500
- 2008 Campus sustainability grant; NUS; PI: Jeffrey Obbard; Co-PI: Marvin Montefrio; SGD 12,000
- 2008 Shell Award for Best Dissertation [Thesis, MSc in Environmental Management]; Shell Group of Companies, Singapore

CONFERENCE PRESENTATIONS

- Everyday aesthetic politics in urban agriculture. Association of American Geographers Meetings 2019. (April 2019, Washington DC)
- “The Queen of Greens” comes to the tropics: Articulations of kale in the Philippines. Workshop on Critical Perspectives on Superfoods. Indiana University, Bloomington. (25-27 March 2019, Bloomington, Indiana)
- Governing organic agri-food and the privileging of ‘model farms’ in the Philippines. 10th International Convention of Asia Scholars. (19-23 July 2017, Chiang Mai, Thailand)
- The cosmopolitan palate and the selective and ephemeral taste for organic eating in the Philippines. Agriculture, Food, and Human Values Meetings. (14-17 June 2017, Los Angeles, USA)
- (Re)Defining Sustainable Food Discourses in Philippine Cosmopolitan Spaces. International Sociological Association Forum. (10-14 July 2016, Vienna, Austria)
- Food insecurity and the green economy project in ancestral domains in the Philippines. International Sociological Association Forum. (10-14 July 2016, Vienna, Austria)
- (Re)Defining the local in the global: the cultural politics of food in Philippine cosmopolitan spaces. Organizer of panel on Globalization and the Cultural Politics of Emerging Food Trends in the Philippines. 10th International Conference on the Philippines. (6-8 July 2016, Dumaguete, Philippines)
- Food security in the era of green economy in the Philippines. Association of American Geographers Meeting 2016. (March 2016, San Francisco)
- Environmental Narratives of Frontier Lands and the Green Economy Project in the Philippines. Philippine Political Science Association Conference. (12-13 April 2015, Dipolog City, Philippines)
- Exploring new directions in the study of cultural politics of food in the Philippines. Philippine Studies Conference. (12-14 November 2014, Manila, Philippines)

- Agro-industrial production of low-carbon commodities: Constructions of the green economy and the (un)productive uplands in the Philippines. Association of American Geographers Annual Meeting. (8-13 April 2013, Los Angeles)
- Contract farming and micro-level land control: ‘Smallholder’ oil palm development and the exclusion of indigenous peoples. Maxwell School Graduate Student Symposium on Investigating Inequalities. (28 March 2013, Syracuse University, New York)
- Influence of social–environmental constructions in decisions regarding biofuels and rubber production in upland Palawan. American Geophysical Union Fall Meeting. (3-7 December 2012, San Francisco)
- Growing low carbon commodities on ancestral domains: Decision-making in oil palm production regimes in upland Palawan. 9th International Conference on the Philippines, panel on Palawan Environments and Global-Scapes. (28-30 October 2012, Michigan)
- Household decision-making in collaborative management regimes involving high value crops (biofuels and rubber) production in upland Palawan, Philippines. 36th EEPSEA Biannual Workshop. (7-11 November 2011, Phnom Penh, Cambodia)
- The salience of discourse coalitions in biofuels policymaking: The Philippine case. Designing Law and Policy for the Transition to Sustainable Energy: The Case of Biofuels. (8-10 June 2011, Ontario, Canada)

INVITED SEMINARS AND LECTURES

- 2019 Invited speaker, “Aesthetic politics in urban agriculture,” School of Geography, University of Melbourne
- 2019 Invited speaker, “The queen of greens’ comes to the tropics: The articulations of kale from the Euro-Americas to the Philippines,” Department of Geography, National University of Singapore
- 2016 Invited Guest lecturer, “Biofuels: promises and discontents,” College of Alice and Peter Tan, National University of Singapore
- 2014 Seminar Class, “Introduction to Qualitative Methods,” Our Lady of Fatima University, Philippines
- 2013 Seminar, “Agro-Industrial Production of Low-Carbon Commodities: Constructions of the Green Economy and the (Un)Productive Uplands in the Philippines,” Nanyang Technological University, Singapore
- 2012 Invited Guest Lecturer, “Introduction to Qualitative Research,” Palawan State University, Philippines
- 2012 Invited Guest Speaker, “Fostering Inter- and Trans-Disciplinary Environmental Thinking in Philippine Schools,” Philippine Council for Peace and Global Education
- 2011 Invited Guest Speaker, “Collective Action Theories for Environmental Management: Focus on the IAD and SES Frameworks,” Palawan State University, Philippines
- 2010 Invited lecturer, “Food, Forest and Fuel: Salience of Issues and Biofuels Advocacy Coalitions in the Philippines,” Xavier University – Ateneo de Cagayan, Philippines
- 2008 Invited speaker, “Southeast Asia’s Troubled Waters: The Cases of the Mekong and the Singapore Straits. International Waters: Global Economy and Sustainability Symposium. Syracuse University
- 2006 Invited speaker, “Sustainable Waste Management: A Case Study in the Philippines,” School of Design and Environment, National University of Singapore

ACADEMIC & PUBLIC SERVICE

- 2016 Organizer, Agrarian and Food Studies Workshop in Singapore, Yale-NUS College, Singapore
- 2014 Collaborative project with the Department of Environment and Natural Resources on Conflict Management in the Philippine Uplands. This resulted in the creation of a Conflict Management manual distributed to upland farming organizations in the Philippines
- 2012 Panel Participant, Roundtable on Stories for a Sustainable Future, Wisdom Thinkers Network, Syracuse
- 2010 Member, Faculty Search Committee, Department of Environmental Studies, SUNY-ESF
- 2010/09 Conference organizer, First and Second International Biophysical Economics Meeting, SUNY-ESF
- 2010 Graduate Representative, Graduate Program in Environmental Science, Graduate Students Association, SUNY-ESF
- 2006/05 Research leader, Environmental Research Group for the Sustainable Design of Payatas Municipal Solid Waste Disposal Facility in the Philippines, University of the Philippines – National University of Singapore research collaboration
