

Marvin Joseph F. Montefrio

Associate Professor of Social Science (Environmental Studies)
Yale-NUS College
28 College Avenue West, Singapore 138614
e-mail: mjmontefrio@gmail.com • website: <http://marvinmontefrio.com/>

APPOINTMENTS

- 2022 - present Associate Professor of Social Science (Environmental Studies), Head of Studies (Environmental Studies), Yale-NUS College, Singapore.
Affiliate faculty, Department of Sociology and Anthropology, NUS
- 2015 - 2022 Assistant Professor of Social Science (Environmental Studies), Yale-NUS College, Singapore.
- 2014 - 2015 Associate Professor (tenure-track), Department of Political Science, De La Salle University, Metro Manila, Philippines.
- 2008 - 2013 Visiting Instructor/Teaching Assistant, Department of Environmental Studies, SUNY-ESF.
- 2009 Research Intern, United Nations Department of Economic and Social Affairs, Division for Sustainable Development, Policy Analysis and Networks Branch, New York.
- 2006 - 2008 Research Assistant, Tropical Marine Science Institute, National University of Singapore, Singapore.
- 2004 - 2006 Environmental Consultant, United Envirotech Limited, Singapore.

EDUCATION

- 2014 Ph.D. Environmental and Natural Resources Policy
State University of New York College of Environmental Science and Forestry
Dissertation: Growing low carbon commodities in the uplands: Integration of indigenous smallholders in biofuels and rubber production regimes in the Philippines (Committee: David Sonnenfeld [chair]; Valerie Luzadis; A.H. Peter Castro; Philip McMichael; and Carol Pierce Colfer).
- 2014 Masters of Public Administration (Environment and International Development)
Certificate of Advanced Studies in Conflict Resolution
Syracuse University, Maxwell School of Citizenship and Public Affairs
- 2007 Master of Science in Environmental Management
National University of Singapore
- 2004 Master of Science in Environmental Engineering
National University of Singapore
- 2001 Civil Engineering
University of the Philippines, Diliman

PUBLICATIONS

Journal Articles (* denotes former student)

- 30) Kwok, Y.*, **Montefrio, M.J.F.**, and Tandoc, E. Navigating discipline and indulgence: The strategic performance of contradiction in social media food posts. *Food, Culture & Society* (forthcoming).
- 29) Montefrio, M.J.F., Lee, X.R.*, and Lim, E.* (2021). Aesthetic politics and community gardens in Singapore. *Urban Geography*, 42(10), 1459-1479.

RESEARCH AWARDS, FELLOWSHIPS, AND GRANTS

2020 “Urban-rural linkages, food security, and extreme weather events in the Philippines,” Humanities and Social Science Seed Grant, National University of Singapore, PI: Marvin Montefrio (SGD 30,000).

- “Knowledge production and the assemblage of urban agriculture in Manila and Bangkok: A comparative analysis,” Yale-NUS Internal Grant, PI: Marvin Montefrio (SGD 20,000).
- “Cultivating future food activists: Teaching the theories and practice in urban agriculture movements,” Yale-NUS Teaching Innovation Grant, PI: Marvin Montefrio (SGD 4,500).
- 2017 Academic workshop grant on “Transecting ‘healthy’ and ‘sustainable’ food in the Asia Pacific,” Yale-NUS College, PI: Marvin Montefrio (SGD 20,000).
Nominated (Top 2) for the Prince Claus Honorary Chair, The Netherlands.
- 2015 Research start-up grant, Yale-NUS College, PI: Marvin Montefrio (SGD 30,000).
Ambassador Carlos J. Valdes Chair in Political Economy, De La Salle University (declined).
- 2014 Interdisciplinary Research Grant, University Research Coordinating Office, De La Salle University, PI: Marvin Montefrio (USD 8,000).
- 2013 Fellowship, International Tropical Timber Organization, PI: Marvin Montefrio (USD 4400).
- 2012 International Network for Coupled Human and Natural Systems Fellowship, National Science Foundation (USD 1,000).
Research Travel Award, Pack Environmental Institute, SUNY-ESF (USD 1,500)
- 2011 Dissertation Fieldwork Fellowship Award, International Development Research Centre of Canada, PI: Marvin Montefrio (CAD 19,000).
Alumni Memorial Scholarship, SUNY-ESF (USD 1,000).
- 2008 Campus sustainability grant, National University of Singapore, PI: Jeffrey Obbard, Co-PI: Marvin Montefrio (SGD 12,000).
- 2006 3rd International Summer Academy on Energy and Environment Scholarship, German Academic Exchange Commission (DAAD), Germany (EUR 1,000).
- 2005 Mondialogo Worldwide Engineering Award – Special Jury Recognition for Outstanding Achievement, United Nations (UNESCO), PI: Marvin Montefrio (USD 20,000).

INVITED LECTURES

International

- 2020 **Keynote Address:** “The assemblage of urban agriculture in Southeast Asia,” international conference on *Food Futures in the Anthropocene: Place-based, Just, Convivial*. Launceston, Tasmania. University of Tasmania and University of Adelaide, Australia (online conference due to the pandemic, but initial invitation included full sponsorship of travel and lodging).
- 2019 “Aesthetic politics in urban agriculture,” School of Geography, University of Melbourne, Australia.

Local

- 2019 “‘The queen of greens’ comes to the tropics: The articulations of kale from the Euro-Americas to the Philippines,” Department of Geography, National University of Singapore.
- 2017 “The paradox of ‘sustainable’ food systems: Cases from Singapore and the Philippines,” School of Design and Environment, National University of Singapore.

- 2013 “Agro-industrial production of low-carbon commodities: Constructions of the green economy and the (un)productive uplands in the Philippines,” Nanyang Technological University, Singapore.
- 2010 “Food, forest and fuel: Salience of issues and biofuels advocacy coalitions in the Philippines,” Xavier University Ateneo de Cagayan, Philippines.

CONFERENCE AND WORKSHOP PRESENTATIONS

International

- “Everyday aesthetic politics in urban agriculture,” American Association of Geographers Annual Meetings (April 2019, Washington DC, USA).
- “‘The queen of greens’ comes to the tropics: Articulations of kale in the Philippines,” Workshop on Critical Perspectives on Superfoods. Indiana University, Bloomington (travel sponsorship provided, 25-27 March 2019, Bloomington, Indiana, USA).
- “Governing organic agri-food and the privileging of ‘model farms’ in the Philippines,” 10th International Convention of Asia Scholars (19-23 July 2017, Chiang Mai, Thailand).
- “The cosmopolitan palate and the selective and ephemeral taste for organic eating in the Philippines,” Agriculture, Food, and Human Values Meetings (14-17 June 2017, Los Angeles, USA).
- “(Re)defining sustainable food discourses in Philippine Cosmopolitan Spaces,” International Sociological Association Forum (10-14 July 2016, Vienna, Austria).
- “Food insecurity and the green economy project in ancestral domains in the Philippines,” International Sociological Association Forum (10-14 July 2016, Vienna, Austria).
- “(Re)Defining the local in the global: The cultural politics of food in Philippine cosmopolitan spaces,” 10th International Conference on the Philippines (6-8 July 2016, Dumaguete, Philippines).
- “Food security in the era of green economy in the Philippines,” Association of American Geographers Meeting (March 2016, San Francisco, USA).
- “Agro-industrial production of low-carbon commodities: Constructions of the green economy and the (un)productive uplands in the Philippines,” Association of American Geographers Annual Meetings (8-13 April 2013, Los Angeles, USA).
- “Contract farming and micro-level land control: Smallholder oil palm development and the exclusion of indigenous peoples,” Maxwell School Graduate Student Symposium on Investigating Inequalities (28 March 2013, Syracuse University, New York, USA).
- “Influence of social–environmental constructions in decisions regarding biofuels and rubber production in upland Palawan,” American Geophysical Union Fall Meeting (3-7 December 2012, San Francisco, USA).
- “Growing low carbon commodities on ancestral domains: Decision-making in oil palm production regimes in upland Palawan,” 9th International Conference on the Philippines, panel on Palawan Environments and Global-Scapes (28-30 October 2012, Michigan, USA).
- “Household decision-making in collaborative management regimes involving high value crops (biofuels and rubber) production in upland Palawan, Philippines,” 36th Economy and Environment Program in Southeast Asia Biannual Workshop. (7-11 November 2011, Phnom Penh, Cambodia).
- “The salience of discourse coalitions in biofuels policymaking: The Philippine case,” Designing law and policy for the transition to sustainable energy: The case of Biofuels. (8-10 June 2011, Ontario, Canada).

Local

- “From material to symbolic value: Fruit trees in Singapore’s history,” The Hungry City Workshop (27-28 May 2021, Yale-NUS College, Singapore).
- “Environmental narratives of frontier lands and the green economy project in the Philippines,” Philippine Political Science Association Conference (12-13 April 2015, Dipolog City, Philippines).
- “Exploring new directions in the study of cultural politics of food in the Philippines,” Philippine Studies Conference (12-14 November 2014, Manila, Philippines).

PROFESSIONAL AFFILIATIONS

Association of American Geographers (Geographies of Food and Agriculture Specialty Group)
Agriculture, Food and Human Values Society
International Sociological Association (RC40: Research Committee on Agriculture and Food)
International Society for Ecological Economics

SERVICE TO THE DISCIPLINE

Academic Journal Positions

Member of the International Advisory Board for the Journal of Peasant Studies (2022-2026)

Ad Hoc Journal Review

Journal of Peasant Studies (2022; 2021; 2019; 2018, 2017, 2016, 2015); *Food, Culture & Society* (2022; 2021); *Environmental Policy and Governance* (2021); *Ecological Economics* (2021, 2016, 2018); *Geoforum* (2020); *Environmental Development* (2020); *Agriculture and Human Values* (2020, 2016); *Journal of Rural Studies* (2020, 2016, 2015, 2014, 2013, 2012); *Ethnos* (2020); *Sustainability* (2019); *Journal of Sustainable Tourism* (2019); *The Geographical Journal* (2019); *Capitalism, Nature, Socialism* (2019); *Food, Culture & Society* (2019); *Political Geography* (2018); *World Development* (2017); *Canadian Journal of Development Studies* (2016); *Society and Natural Resources* (2019, 2015, 2014); *Human Ecology* (2015, 2014); *Journal of Environment and Development* (2011); *Natural Resources Forum* (2010); *Energy Science and Engineering* (2011)

Workshop and Panel Organization

- “2nd Food and agrarian workshop in Singapore,” interdisciplinary 8-person workshop at Yale-NUS College (February 2019, Singapore).
- “Transecting ‘healthy’ and ‘sustainable’ food in the Asia and the Pacific,” interdisciplinary 14-person workshop co-organized with Richard Wilk (Indiana University) and Jonathan Rigg (NUS) at Yale-NUS College and the Asia Research Institute, National University of Singapore (July 2018, Singapore).
- “1st Food and agrarian workshop in Singapore,” interdisciplinary 10-person symposium at Yale-NUS College (2017, Singapore).
- “Panel on environmental politics in the Philippines.” Philippine Political Science Association Conference (12-13 April 2015, Dipolog City, Philippines).
- “Panel on globalization and the cultural politics of emerging food trends in the Philippines,” 10th International Conference on the Philippines (6-8 July 2016, Dumaguete, Philippines).

Conference Panel and Seminar Discussant Invitations

Panel on “Farmers, land rights and agricultural transformations,” 16th Singapore Graduate Forum on Southeast Asian Studies, Asia Research Institute (12-14 July 2021, Singapore).

Professor Philip McMichael’s talk on “Global crisis, Chinese renaissance, and food regime transition,” Nanyang Technological University (19 February 2021, Singapore).

Panel on “Rural agency in the green economy,” Association of American Geographers Annual Meetings (30 March 2016, San Francisco).

Other Reviews/Examinations

Expert reviewer for a proposal on urban agriculture submitted to the Singapore Ministry of Education Social Science Thematic Grant.

Expert reviewer for the TALENT Doctoral Fellowship Program of the University of Copenhagen and the European Union’s HORIZON.

TEACHING, RESEARCH SUPERVISION & TRAINING

Courses Developed and Taught at Yale-NUS College

- | | |
|---------|---|
| 2021-22 | Social Theory and Environment (Sem 1) |
| | Ecological Economics (Sem 1) |
| | Introduction to the Environmental Studies (Sem 1) |
| | Food and Sustainability (Sem 2) |
| 2020-21 | Social Theory and Environment (Sem 1) |
| | Ecological Economics (Sem 1) |
| | Introduction to the Environmental Studies (Sem 2) |
| | Food and Sustainability (Sem 2) |
| | Urban Agriculture (Sem 2) |
| | Week 7: Far Food Nation: Food Sustainability in Singapore (Sem 2) |
| 2019-20 | Social Theory and Environment (Sem 1) |
| | Applied Environmental Research (Sem 1) |
| | Introduction to the Environmental Studies (Sem 2) |
| 2017-18 | Agrarian Change and Environmental Transformations (Sem 1) |
| | Environmental Conflict and Collaboration (Sem 1) |
| | Introduction to Environmental Studies (Sem 2) |
| | Social Theory and the Environment (Sem 2) |
| 2016-17 | Comparative Social Inquiry (Sem 1) |
| | Agrarian Change and Environmental Transformations (Sem 1) |
| | Environmental Studies Capstone Project (Sem 1) |
| | Week 7: Far Food Nation: Food Sustainability in Singapore (Sem 1) |
| | Introduction to Environmental Studies (Sem 2) |

2015-16 Comparative Social Inquiry, 2 Sections (Sem 1)
Ecological Economics (Sem 2)

Courses Developed and Taught at De La Salle University

2014-15 Foundations of Public Policy (Graduate Course)
Methods for Undergraduate Research
Environment and Society
Science, Technology and Society

Courses Taught at SUNY-ESF

2012-13 Quantitative Survey Methods (Graduate Course)
2010-11 Biomass and Bioenergy (TA)
Social Theory and the Environment (TA)
2009-10 Cultural Ecology (TA)
Social Theory and the Environment (TA)
2008-09 Cultural Ecology (TA)

Independent Studies/Research at Yale-NUS College

2021 Sarita Zhang (NUS Bachelor of Environmental Studies), “Permaculture in Singapore: Negotiating mismatches, understanding opportunities.”
2020 Lavanya Prakash (NUS Bachelor of Environmental Studies), “Politics of the urban food commons in Singapore.”
2019 Celeste Beh, “Hawai’ian social movements and the environment.”
2018 Lee Xin Run, “Cultural politics of urban farming in Singapore.”
2016 Anne Caroline Franklin and Jolanda Nava, “Deliberative Democracy.”

Senior Capstone/Honours Thesis Supervision

2020-2021 Tammy Gan, “Negotiating alterity through experimentation: The story of Ground-Up Initiative,” primary supervisor.
Yeo Rui Qi, “From self-sufficiency to resilience: Tracing ‘food security’ in post-independence Singapore (1965-2020),” primary supervisor.
Valeria Duarte, “Ecological citizens in the garden city: Ownership, virtues, and politics in Singaporean urban gardens,” primary supervisor.
Cedric Choo, “Crudely stuck? An historical analysis of state narratives on the oil refining and petrochemical industry in Singapore,” second reader.
Xiyao Fu, “‘One generation plants the trees in whose shade another generation rests’--- Eco-reproductive concerns in China,” second reader.
Paul Yee, “Feeling is believing: Affective dimensions of climate activism in Singapore,” second reader.
2019-2020 Elwin Lim, “Trash talk: Historicizing food waste discourses in Singapore,” primary supervisor.

Adolfo Castro, “Southeast Asian animal holding institutions and ASAP species conservation: Challenges and opportunities,” primary supervisor.

Levine Thio (NUS Political Science), “Politics of food security discourses in a changing climate,” primary supervisor.

Zac Yeo, “Feasibility of negative emissions technology in Singapore,” second reader.

2018-2019 Gemma Green, “Imagined futures, real exclusions: Narratives surrounding the development of aquaculture in Singapore,” second reader.

Benedict Tan, “The changes in public perception towards fish farms in Singapore,” second reader.

Sarah Novak, “Threats of victims? The representation of refugees in water policy in Jordan during the Syrian refugee crisis,” assumed primary supervisor position beginning January 2018.

2017-2018 Alaine Johnson, “Imbibed heritage: Politics of production and cultures of consumption of Philippine heirloom coffee,” primary supervisor.

Kwok Yingchen, “Queering the bare body: The ecological reproductive biopolitics of sexual difference,” primary supervisor.

Tong Xueyin, “Eco-governmentality through the lens of bioconservation in Singapore,” primary supervisor.

Tan Weiliang, “Towards a more comprehensive account of consumer preferences around genetically modified foods: Evidence from Singapore,” second reader.

Peter Lewis, “Appetite for change: An exploration of dietary choices among university students in Singapore,” second reader.

Feroz Khan, “Energy bills ... of rights? Cleantech and energy democracy from Singapore to Southeast Asia,” second reader.

2016-2017 Chua Wan Ping, “The making of sustainable palm oil: An application of the advocacy coalition framework in the roundtable of sustainable palm oil,” primary supervisor.

Toh Hui Ran, “Tradeoffs in conservation and development: The case of Harapan rainforest in Jambi, Indonesia,” primary supervisor.

May Tay Ee, “Inside the sharing economy vision: A study of co-working spaces in Singapore,” primary supervisor.

Sheryl Foo, “Analysing varieties of democracy and environmental performance,” primary supervisor.

Maria Ivanenko, “The future of wind and solar in Kazakhstan’s energy mix,” second reader.

Anne Caroline Franklin, “Environmental activism in Singapore: Past, present, potential,” second reader.

Master’s Thesis Supervision

2020 Anton Feliciano, Jr., “Scalable black soldier fly production: Tackling organic/food waste and protein scarcity in local communities in the Philippines,” Masters in Environmental Management, NUS.

2018 Ma. Rose Josol, “Counting carbon: Analysing discourse on carbon accounting in the Philippine forestry sector,” Masters in Environmental Management, NUS.

Undergraduate Research Assistants

Tan Misaki (2022)	Thiti Thitipankul (2020-2021)
Lim Zi Yang (2022)	Leong En-Lin (2018)
Katrina David (2021)	Goh Wanling (2018)
Lecarl Lim (2021)	Lee Xin Run (2018)
Felipe Waldeck (2021)	Elwin Lim (2017)
Dünya Gurses (2020-2021)	Kwok Yingchen (2017-2018)
Mathew Ramos (since 2020)	Alaine Johnson (2016-2017)

SERVICES TO THE COLLEGE & UNIVERSITY

- 2021-2022 Resident Fellow of Cendana College
Coordinator of the Special Program with the Yale School of Environment
Advisor to the Yale-NUS Urban Farming Collective
Advisor to the Yale-NUS Chamber Music Collective
- 2020-2021 Resident Fellow of Cendana College
Member of the search committee for environmental studies faculty recruitment
Coordinator of the Special Program with the Yale School of Environment
Member of the Curriculum Committee
Advisor to the Student Committee on Sustainability
Advisor to the Yale-NUS Urban Farming Collective
Advisor to the Yale-NUS Chamber Music Collective
External examiner for PhD dissertation defense (Veronica Gregorio, Department of Sociology, NUS)
Examiner for undergraduate research opportunity (UROP) student (Tan Jun Rong, Bachelor of Environmental Studies, NUS)
- 2019-2020 Resident Fellow of Cendana College
Coordinator of the Special Program with the Yale School of Environment
Member of the Curriculum Committee
Advisor to the Student Committee on Sustainability
Advisor to the Yale-NUS Chamber Music Collective
External examiner for Masters of Social Science thesis (Oei Hui Hsia Claire, Department of Geography, NUS)
- 2018-2019 Resident Fellow of Cendana College
Member of the search committee for environmental studies faculty recruitment
- 2017-2018 Coordinator of the Concurrent Degree Program with the Lee Kuan Yew School of Public Policy
Ad hoc advising for IdECO
Faculty editor for the Yale-NUS Student Journal

- CIPE Summer Research Program Mentoring and Training
